Money manager wins awards

Investment advisory firm Martin Capital Advisors LLP has been recognized as a top money manager for its investment performance.

Lipper Market Place awarded the MCA Flexible Growth Portfolios composite six World's Best Money Manager rankings. Informa Investment Solutions' Planned Sponsor Network awarded MCA six "Top Guns" rankings for the performance of the MCA Flexible and Balanced Portfolios over the quarter ended June 30, as well as for the three-year and five-year periods ended June 30.

Lipper and PNS track the performance of investment managers.

MCA, which manages portfolios for individuals and institutions from offices in San Antonio and Austin, is headed by Paul Martin.
